Re: *Vaughn Scott v. City of Mount Vernon, et al.*, 14-cv-04441  
First Letter-Motion Requesting Extension of Time

Dear Judge Karas,

We represent the Defendants in the above-referenced action, and write this letter as the parties' first joint-application for an extension of several discovery deadlines contained in the Court's April 14 Case Management and Scheduling Order (Dkt. No. 5).

The parties respectfully request this extension of time for two main reasons. First, the Defendants just recently received Plaintiff's discovery demands, and are in the process of compiling responsive documents. Secondly, in the wake of Ms. Hina Sherwani departing the Mount Vernon Law Department, the new attorneys handling the matter respectfully request time to adequately review the file.

The current deadlines as reflected in the Case Management and Scheduling Order and proposed new dates are as follows:

Current Deadline

- All Fact Discovery by 8/31/15
- Depositions by 8/31/15
- Status Conference 10/9/15

Proposed New Deadline

All Fact Discovery by 10/30/15  
Depositions by 10/30/15  
At the Court's convenience

We thank Your Honor for your consideration of the parties' request.
